Lower Grade Classroom Miss Nitz

As we wrap up the last weeks of school, let us rejoice that our Lord and Savior has brought us safely through this school year. I have seen such great progress with the students this year! The students have made my first year of teaching an incredible one. My encouragement is that you continue to work with your children through the summer so they can retain the knowledge they received throughout this year. Keep on reading with your children. I want to thank all the parents for their support and understanding during this school year. I look forward to working with you again next year. Have a most blessed summer!

Upper Grade Classroom Mr. Priebe

The Lord has showered our school with blessings so numerous, we often overlook them. What a privilege it has been for me to serve at New Hope over the last 10 months. The Lord has blessed our ministry here! We are praying that the Lord would continue to send more families to New Hope so they may hear of the hope they have in Jesus. We are hoping to add a third teacher for next school year because of an influx of new kindergarten students. May God bless your summer. All students and parents are welcome to join us for worship over the summer break. Summer worship hours are Saturday evenings beginning at 5:00 p.m. and worship on Sunday mornings begins at 10:00 a.m.

Dress Down Friday

Friday, May 13th and Friday, May 20th will be a dress down days for the students who honored the dress code during the previous weeks.

Academy Students Sing – Sunday, May 8th

Once again the students of the Academy have the opportunity to praise God with their voices. Miss Nitz and the students spend many hours preparing their songs for worship. Please make every effort to ensure that your child will be able to join us for worship on Sunday morning, May 8th. If for some reason you need to excuse your child from the worship service, please contact your child's classroom teacher prior to Sunday.

Mr. Sam Walters – Education Extravaganza!

Mr. Sam Walters, a faithful member of New Hope Lutheran Church, will be back to present more educational wonders to our students on Friday, May 13th. Mr. Walters has over 30 years of teaching experience and is excited to share some of his illusions, riddles, and science demonstrations with our students.

Graduation – Wednesday, May 18th

New Hope Lutheran Academy will be holding a special graduation service on Wednesday, May 18th. The graduates of the 8th grade class, as well as our kindergarten class, will be recognized for their accomplishments. This will also be a service of thanksgiving to the

Lord for guiding us safely through the past school year. There will be refreshments served after the service as well.
